“Com” is for Community
Ephesians 4:17-32
Patrick B. Jones, Lead Pastor

We All Have a Mother and Father:

What are some key INDICATORS of a healthy home environment?

1. A place where people are growing in THINKING.
2. A place where people are living in TRUTH.
3. A place where emotions are TEMPERED.

4. A place where people are TAUGHT.

5. A place where we know that our TALK reflects our HEARTS.

Homes are a reflection of a greater whole.

LOVE God, and LOVE people.
