The Story of Us

“Communication Is More Than Words”

Ephesians 5

Patrick B. Jones, Lead Pastor

Foundation Review:

Our homes need to be places where THINKING people live TRUTHFULLY. They are places where emotions are TEMPERED, responding rather than reacting. They are places where people are being TAUGHT responsibility and where we learn that our TALK reflects our hearts.

Communication is more than WORDS:

“Your actions speak so loudly, I cannot hear what you are saying.” Ralph Waldo Emerson

1. We speak loudly by who we MIMIC.

2. We speak loudly by what is MENTIONED about us.

3. We speak loudly by how we MAKE THE MOST of our opportunities.

4. We speak loudly by the MUSIC of our HEARTS.

5. We speak loudly by our MUTUAL sacrifice.

We communicate more by our attitudes and non-verbals than we do by our words.
